LIST OF DATES AND EVENTS

The Federation of Unaided Schools And Associations, Punjab (Regd.) (hereinafter referred to as Petitioner Association) is an association of private unaided schools which are affiliated with Central Board of Secondary Education (CBSE), Indian certificate of Secondary Education (ICSE) and Punjab School Education Board (PSEB) and are situated in various parts of Punjab.

15.05.1989

The Respondents issued a letter vide wherein Director Public Instructions

(S), Punjab's Memo. No. 2/3-98-Committee/Sports dated 01.03.1999, stands subsequently incorporated whereby the Respondent prescribed "Sports Fund" be collected from all schools in the State of Punjab

2008

As per the Punjab Education Code, what fees are to be charged in Schools and Colleges are defined. Chapter-IV thereof reveals that the Punjab State Sports Fund is applicable only to the Colleges.

As is apparent from Article 109-B, the fees as applicable in Schools under the Punjab Education Code are applicable only in Government and aided Schools (Refer Articles 114 to 126) and the same do not provide for

any "Sports Fund" whatsoever'

2016

Punjab Regulation of Fee of Un-aided Educational Institutions Act, is notified, whereby fee, the prescription, constitution thereof and Fund is defined as well as the manner for collection and utilization of both Fee and Fund.

2021

The Respondents published "Sports Policy 2021" whereby in terms of Clause 6 "Sports Fund" for the conduct of inter school/zonal/district/inter district tournaments funds are sought to be charged from private unaided schools.

The "Sports Fund" is to be charged/passed on to from students for the present session. The fees being charged by the Institute would be required to be reworked in the event the purported "Sports Fund" in terms of the 2021 policies implemented.

The demand is also in the teeth of judgement in Independent Schools Association v. State of Punjab reported as 2020 (3) PLR 222, as well judgment of Hon'ble Supreme Court as well has passed similar directions in Indian School Jodhpur v. State of Rajasthan CA. 1724/2021 D.o.D. 03.05.2021 whereby fees have been capped as charged for earlier sessions and 15% deduction has been directed as well. No fee

can be charged for facilities unutilised by students

On account of the Corona virus epidemic physical classes have remained in the doldrums for nearly a period of 18 months. National lockdowns have been imposed since March 2020, state curfew have been imposed, and education are shifted online. Sports Grounds and physical activities in Grounds have also been curtailed by orders of the government. Thus there is no occasion on which the demand of sports fund can even be justified on this count, more so when the purpose of the policy is for conduct of tournaments, and there is a cap On the number of people allowed to congregate at a venue in the state of Punjab.

16.08.2022

Hence, the present writ petition

**RESPECTFULLY SHOWETH:**

1. That Federation of Unaided Schools And Associations, Punjab (hereinafter referred to as **Petitioner Association**) is an association of Private unaided schools which are affiliated with Central Board of Secondary Education (CBSE), Indian certificate of Secondary Education (ICSE) and Punjab School Education Board (PSEB) and are situated in various parts of Punjab where the present Civil Writ Petition is being filed through its State general Secretary Anil Mittal who has been duly

2. That the petitioner has been aggrieved in the hands of the respondents state who has issued the impugned letters 01.06.2021, 02.06.2021, 04.06.2021 and 11.07.2022 vide which the unnecessary demand of Sports Fund was raised by the respondent which is absolutely an illegal demand and an arbitrary act of the respondents where from the bare perusal of the letter it is observed that the same have raised a demand of Rs.15/- per student per month for Classes IX and X an Rs.20/- per student per month from the XIth and XIIth students. 3. 4. That it is respectfully submitted that the burden of this fee is claimed by the Member Schools of the petitioners/Associations from the admitted students and is thereafter paid to the Respondent-State. There is no legislation mandating the collection of "Sports Fund", as sought to be claimed by the Respondents and the fees being charged by the unaided Educational Institutes viz Unaided Schools in the present case, is governed by The Punjab Regulation of Fee of Un-aided Educational Institutions Act, 2016 and the copy of the regulation is herein annexed as **Annexure P-8** (hereinafter referred to as 'the 2016 Act') and the relevant section are herein reproduced as under for the kind reference of this Hon'ble court:

Sections 2(g), 2(n), 5, 9 and 10 of the 2016 Act read as under:

"2. Definitions: In this Act, unless the context otherwise requires:

(a) to (f):                      xxx                      xxx                      xxx

(g) 'fee' means any amount by whatever name it may be called, which is charged directly or indirectly by an Unaided Educational Institution for admission of a student for education to any standard of course of Study;

(h) 'Fund' means the Unaided Educational Institution Development Fund constituted under section 9

(l) to (m)                      xxx                      xxx                      xxx

(n) 'Unaided Educational Institution' means an affiliated private school, established and administered by any person or body of persons,

imparting education up to 10+2 level including a minority institution which does not receive any aid from the Government, but does not include,-

- (i) an aided school; and
- (ii) a school established and administered or maintained by the Central Government or State Government or any local authority."

Section 5. Power to fix and increase Fees: An Unaided Educational Institution shall be competent to fix its fee and it may also increase the same after taking into account the need to generate funds to run the institution and to provide facilities necessary for the benefit of the students:

Provided that while fixing or increasing fee, the factors mentioned in sub section (1) of section 6, shall be kept in view by the Unaided Educational Institution:

Provided further that increase in fee shall not exceed eight per cent of the fee of the previous year, charged by the Unaided Educational Institution.

Provided further that while fixing or increasing fee, an Unaided Educational Institution cannot indulge in profiteering and it cannot charge capitation fee.

Section 9: Constitution of Fund - (1) Every Unaided Educational Institution shall constitute a Fund, to be called the Unaided Educational Institution Development Fund.

(2) The following shall be credited to the Fund, namely:

- (a) fee;
- (b) charge;
- (c) funds;

(4) No amount whatsoever shall be diverted from the Fund by the Unaided Educational Institution to the Society or the Trust or any other Institution, except under the management of the same Society or Trust.

Thus, a perusal of the above detailed provisions reveals that fee means any or all amounts charged directly or indirectly by an unaided Educational Institution, as defined therein. Fee is totally the prerogative of an unaided Educational Institution in terms of Section 5 and in terms of

Sections 9 and 10 of fee collected, which includes funds as well, shall be credited into the Unaided. Educational Institutions Development Fund, which shall be used for the betterment and development of the Institution and for activities beneficial to the students. Thus, it is respectfully submitted that though there is no mandate of law prescribing the collection/ payment of "Sports Fund" to the Respondent-State.

5. That it is very important to bring into this Hon'ble Court notice that any such money if collected would fall within the definition of fee under the 2016 Act and accordingly, be credited into the Institution Development Fund and such fund would be used for development of the Institution as well as activities beneficial to the students by the institution in terms of the 2016 Act itself. Appropriation of monies under the name of "Sports Fund" is contrary to the provisions of the 2016 Act as there is nothing mentioned about Sports fund in the same.
6. That the State of Punjab had issued a letter dated 15.05.1989 (alongwith insertions/amendments), copy attached herewith as ANNEXURE P-9. A perusal of this letter reveals that 'Sports Fund' is required to be collected in terms of these instructions and nothing less in the following manner:

"Vide Education Department, Punjab Government's Notification No. 11/50/93-TE 6/8886-92 dated 18.02.98, w.e.f. this academic year (1999-2000), Orders have been issued to collect the Sports Fund from the students of Government and (Private managed affiliated) Schools at the following rates:

(Director Public Instructions (S), Punjab's Memo. No. 2/3-98-Committee/Sports dated 01.03.1999)

The said letter clearly dictates that the same has been issued by the Director Public Instructions (Schools) and was made applicable to the private managed Affiliated Schools as well.

That still further, it is respectfully submitted that Chapter-IV of the Punjab Education Code, 2008 attached herewith as ANNEXURE P-10 makes it absolutely clear what fees are to be charged in Schools and Colleges. Chapter-IV thereof reveals that the Punjab State Sports Fund is applicable only to the Colleges. As is apparent from Article 109-B, the fees as applicable in Schools under the Punjab. Education Code are applicable only in Government and aided Schools (Refer Articles 114 to 126) and the same do not provide for any "Sports Fund" whatsoever. Thus, it is respectfully submitted that the letter dated 15.05.1989 is in conflict with Chapter-IV of the Punjab Education Code as well and beyond the same.

That the entire Education Code shall be produced at the time of hearing and is not being attached herewith for the sake of brevity. It is further respectfully submitted that in terms of Chapter-IV of the Punjab Education Code, what cannot be imposed even on Government and aided Schools, is sought to be imposed on the Members/Institutes of the petitioners/Associations.

7. That though the letter states that Sports Fund is to be collected from Primary, Middle and Senior Secondary Schools, the demand as raised vide letters dated 01.06.2021, 02.06.2021 and 04.06.2021 (Annexures P-4, P-5 and P-6) respectively, is only from Class IX to XII students and it is important to mention here that coming of the 2016 Act, the letter dated 15.05.1989 (P-9) and subsequent instructions issued in furtherance thereof stand eclipsed. Once an act of legislation comes into force, all executive orders/instructions preceding thereto cease to exist.
8. That the demand of sports fund by the Punjab School Education Board has no legislation backing whatsoever. The letter dated 15:05.1989 has no legislative backing whatsoever, the same is silent as to under which provisions of law, it is issued and for what purpose the demand is raised.
9. That all the Members/Institutes of the petitioners/Associations are maintaining proper infrastructure in terms of the norms prescribed by the various affiliating bodies including playgrounds and there is no help or assistance financial or otherwise from the Respondent-State for any sports activities carried out in the Members/Institutes of the petitioners/ Associations

and there is thus no occasion or purpose for the Respondent-State to impose and demand "Sports Fund" from the Members/Institutes of the petitioners/Associations and their admitted students.

10. That it is also respectfully submitted that in the year 2021, the School Education Department Punjab published a "Sports Policy 2021" attached herewith as ANNEXURE P-11.

11. That the perusal of the sport policy reveals that the purpose is for conduct of games in the Under 11, Under-14, Under-17 and Under 19 Categories, to keep them away from social evils and drugs. The policy creates committees to conduct tournaments at the block level/district level/inter-district level/zonal committees (refer Clause 3 to 5).

Clause 6 of the policy reads as under

6.0 Payment of Sports Fund:

6.1 Sports Fund per student for 9th and 10th Classes students @ Rs.15/- per month, for 11th and 12th Classes students @ Rs.20/- per month will be recovered from the Government/Government Aided Schools. Those Private High/Senior Secondary Schools, where the number of students is upto 500, from them Rs.25,000/-, where students are from 501 to 1000 from them Rs.50,000/-, those Schools having students from 1001 to 1500, from them Rs.75,000/- and those Schools where the students are more than 1,501, from them Rs.1,00,000 lump sum Sports Fund per year will be received.

6.2 Out of the total Sports Fund collected by each school, 70% will be deposited in the

Office of the District Education Officer. 50% of the total funds raised at the district level will be deposited at the State Headquarters every year. 15% of the total annual Sports Fund collected at State level, will be given to D.P.I. (E.E.) for operations of the Primary School sports.

6.4 Every year, before start of new Session, the prescribed share of the Sports Fund collected will be deposited by the Schools at District level upto 10<sup>th</sup> April and the different Districts will deposit the prescribed share of Sports Fund with the State Headquarters compulsorily by 20<sup>th</sup> April.

6.4 Without depositing the Sports Fund, the students of those Government/ Private/ Aided/ Un-aided/ Recognized Schools will participate in the games, disciplinary action will be initiated against the Sports Coordinator of that District as per the provisions of Punjab Civil Services (Punishment and Appeal) Rules, 1970.

6.5 It will be mandatory for the Punjab School Education Board to check the Receipt of Sports Fund before making the Examination Centres at the Private/ Aided/ Unaided/ Recognized Schools.

6.6 When the recognition is granted to the new Schools by the Education Department or No Objection Certificate is given, then the said School must be having Track of minimum 200

Meters, Grounds for Football, Volley Ball, 'Kho-Kho, Kabaddi' etc.

6.7 Centre, Block, Zonal and District level Sports competitions will be conducted by knock-out method. Inter-District Sports competitions (except the game of Cricket) will be conducted by league-cum-knock out method.

6.8 A Sportsman can participate in two Sports and in two events in Athletics and Relay Race in an year. In the inter-District Sports, competitions will be conducted through knock-out method.

Clause 15 of the Policy Reads as under

15.0 Miscellaneous:

15.1 Practical copies of the students of Physical Education be closed. By doing this, financial burden on the students will be reduced, instead the work being done by the students in the practical copies, the same will be done by them in play grounds as practical in practical form, with which they will receive more information regarding the said Sports.

15.2 The Department will prepare the Sports Website, on which the Department's activities relating to Sports, achievements and other relevant data of the Sports will be uploaded.

The registration of the Sportsmen from School level will be done through online entry.

That the basic purpose of the sports fund is to enable the students study in their institutes to participate in the games conducted for students at

interschool/block/district/zone level and it is very important to bring into this Hon'ble Court notice that for the participation in the competition sports entrance test fees / participation fees is also charged from the each students separately and the said demand of the respondent state for sports fund for all students is absolutely illegal and arbitrary.

12. That the petitioner association seek the indulgence of this Hon'ble court for setting aside the impugned letter on the following grounds:

- a) Because the said demand has no legal backing and the same is raised which is contrary to the statutory provisions of The Punjab regulation of fee of Unaided Education Institution Act, 2016.
- b) Because the said demand made in the impugned letters for the sports fund for the year 2020-2021 is illegal as during that time no sports have taken place because of pandemic of Covid-19 and even the members of the petitioner association in compliance of the order passed by the Hon'ble High Court as well as Supreme Court has charged very limited fee.

The Hon'ble Supreme Court as well has passed similar directions in Indian School Jodhpur v State of Rajasthan CA. 1724/2021 D.o.D. 03.05.2021, whereby the Hon'ble Supreme Court has directed that, fee would be charged as what was fixed for the session 2019-2020 with a deduction of 15% on that amount in lieu of facilities unutilised by students..

- c) Because the said demand of sports fund from all students whether participating and non-

participating is illegal, unjustified and arbitrary. In similar circumstances the Hon'ble Supreme Court in TMA Pai Foundation vs. State of Karnataka 2003 (2) SCT 285, while overruling the judgement in Unnikrishnan JP v. State of Andhra Pradesh 1993 (1) SCC 645, has held that the creation of "Free Seats" and "Payment Seats" has the effect of nationalising education and impedes the essential features of the right of administration of private unaided institutes. It is respectfully submitted a student who wishes to participate in the tournament must pay and play, but the burden of all participants cannot be passed on to those who do not want to pay or play. The state cannot mandate or force every person and every student to pay for or participate in the tournament's proposed to be held. The action is thus violative of Article 14 of the Constitution of India on this count.

- d) Because the policy has to be prospective in nature. The policy cannot come into force for the present year or be made applicable to any student already starting. The fees being charged by the Institute would be required to be reworked in the event the purported "Sports Fund" in terms of the 2021 policies implemented. It is respectfully submitted that fee for the session 2020-2021 has already been charged and received. On account of the Corona virus epidemic physical classes have remained in the doldrums for nearly a period of 18 months. National lockdowns have been imposed, state curfew

have been imposed, and education are shifted online. Sports Grounds and physical activities in Grounds have also been curtailed by orders of the government. Thus there is no occasion on which the demand of sports fund can even be justified on this count, more so when the purpose of the policy is for conduct of tournaments, and there is a cap On the number Of people allowed to congregate at a venue in the state of Punjab.

School fees have also been ordered to be capped by this Hon'ble Court in the judgement in Independent Schools Association v State of Punjab reported as 2020 (3) PLR 222, wherein this Hon'ble Court has directed that fee will be charged for genuine expenditures incurred and not charge fee for any activity or facility for which no expenditure was incurred. The policy is in the teeth of the said judgement as well, by demanding funds for tournaments that are not taking place, for sports activities that have been curtailed by the respondents themselves.

- e) Because the demand of sports fund from the school is illegal as the basic concept of sports fund is to conduct the tournaments of games in the Under 11, Under 14, Under 17 and Under 19 categories and further to conduct on Block Level, District Level, Inter-District Level, Zonal Committee Level but it is unjustified to charge from the students who are not participating or the school who do not wants to participate and suddenly slapping such a huge amount to the schools is absolutely illegal as

these are the non-profit making institutions and they can only raise the fee up to 8% but now it is difficult for the members of the petitioner association to pay such a huge amount.

- f) Because the said demand is illegal as the respondent has shown the picture that the sports events at district level are funded by sports fund where there is a specific allocation/expenditure in the year 2019-2022 budget under the head Education Sports, Art and Culture and further the state of Punjab is funded by the taxation both direct or indirect and meets its expenditure from the same and the sports fund is just an unnecessary financial burden on the private unaided schools.
- g) Because the respondents state even charged Sport Entrance Test Fees/ Participation Fees from the students and it is further respectfully submitted that by no stretch of imagination, are all the students from Class IX to XII are participating in such games. Further in terms of the 2016 Act, all monies received from students constitute part of the fee, such fee is required to be mandatorily deposited into the fund created and maintained in terms of the 2016 Act itself, and these funds are required to be utilised in terms of the 2016 Act. Thus the demand for sports fund is beyond the 2016 Act even on this count.
- h) Because the Sports Policy 2021 cannot add or subtract a component of Fee as being charged as mandated by the 2016 Act. The Fee charged, in the respectful submission of the petitioners is totally

the prerogative of the Institute. The sports policy 2021 seeks to circumvent that, by ensuring that the sports fee/fund proposed in terms of clause 6 thereof, is added to the fee payable by a student and then appropriated by the State. The policy is contrary to the 2016 Act on this count. The State has passed its burden onto the petitioner and even clause 15 of the policy in as much as it directs" that practical copies of the students of physical education be closed" is unmindful of the fact that the syllabus for the courses is mandated by the CBSE/ICSE/PSEB as well as other boards of education. By way of a policy the syllabus is sought to be changed which in the respectful submission of the petitioners is impermissible.

- i) Because in one of the similar writ petition no. CWP-16408 of 2022 filed by another association of schools in which the similar letters dated 11.07.2022 and 12.07.2022 was challenged and Hon'ble Court was pleased to stay the operation of the impugned letters only qua the members of the petitioner association of that writ petition and the copy of the order dated 29.07.2022 is annexed as Annexure P-12.

13. That the present Civil Writ Petition raises the following substantial questions of law, for the kind consideration of this Hon'ble Court:

- i. WHETHER the impugned letters dated 01.06.2021, 02.06.2021, 04.06.2021 and 11.07.2022, Annexures P-4, P-5, P-6 respectively, are sustainable in law?

- ii. WHETHER the impugned letters dated 11.07.222 and 12.07.2022 Annexures P-7 and P-7A respectively, are sustainable in law?
  - iii. WHETHER the demand for "Sports Fund" as contained in the letter 15.05.1989 P-9 as well as the Sports Policy 2021 (P-11) has any statutory backing whatsoever?
  - iv. WHETHER with the coming into force of the 2016 Act, the demand for 'Sports Fund' can be raised?
  - v. WHETHER the demand is violative of Article 14 of the Constitution of India?
  - vi. WHETHER the demand of "Sports Fund is arbitrary and without any application of mind?
  - vii. WHETHER the 1989 instructions (Annexure P-9) stand eclipsed by the 2016 Act?
  - viii. WHETHER non-participants in Sports/ games, are required to pay the Fund as detailed in the Writ Petition itself?
  - ix. WHETHER the letter dated 15.05.1989 (P-9) as well as the demand in the Sports Code 2021 for "Sports Fund" is in conflict and beyond the provisions of Chapter-IV of the Punjab Education Code as well as the 2016 Act?
  - x. WHETHER the Sports Policy 2021 (if applicable) is prospective in application?
14. That the petitioner are having no other remedy of Appeal / Revision except to approach this Hon'ble Court by way of filing the present Civil Writ petition under Articles 226 and 227 of the Constitution of India.
15. That the petitioners have not earlier filed any other similar Civil Writ Petition either in this Hon'ble Court

or in the Hon'ble Supreme court of India, on the same cause of action.

Prayer

It is therefore, respectfully prayed that this Hon'ble Court may be pleased to:-

- I. Issue a writ in the nature of certiorari for quashing the impugned letter dated 01.06.2021 (P-4), 02.06.2021 (P-5) and 04.06.2021 (P-6) which the respondent state raises and imposes a demand for "Sports Fund" to be charged from the members of the Petitioner Association as well as the student studying in the same where the said demand is absolutely arbitrary, illegal and without any legislative backing and the only motive to issue this letter by the respondent is to get financial gain by using their dominant position.
- II. Further issue the writ in nature of certiorari for quashing of impugned letter dated 11.07.2022 (P-7) and impugned letter dated 12.07.2022 (P-7A) issued by respondent state.
- III. Further quash the sports policy 2021 to the extent it raises and imposes the demand for sports fund to be

charged from the members of the petitioner association.

- IV. Further issue directions in nature of certiorari quashing the letter dated 15.05.1989 and its addition (as contained in P-9) if deemed absolutely necessary.
- V. Further direct the respondent not to demand sport fund from the members of the petitioner association or their admitted students and allow them to participate in the upcoming various sports events without insisting of deposit of the sports fund, during the pendency of the present writ petition.
- VI. Any other writ, order or direction which this Hon'ble Court may deem fit and proper in the facts and circumstances of the case may also be passed in favour of the Petitioner;
- VII. To dispense with the filing of certified copies & true typed copies of the documents appended as Annexures P-1 to P-12 as per orders and directions of this Hon'ble High Court
- VIII. award the costs of the present Writ Petition in favour of the petitioner and against the Respondents.

INTERIM PRAYER

It is further respectfully prayed that pending decision of this Writ Petition in this Hon'ble Court, the demand for "Sports Fund" vide letters dated 01.06.2021, 02.06.2021, 04.06.2021, 11.07.2022 and 12.07.2022 Annexures P-4, P-5, P-6, P-7 and P-7A respectively as well as the Sports Policy 2021, made by the Respondent-State from the Members/Institutes of the petitioners/Associations, may kindly be stayed in the interest of justice.
